Shifting nature of the UFO phenomena:

Are these ships a new form of communication or type of intelligence which is appearing as we approach the 2012 omega-point?

The Leary/Wilson 8-Circuit model suggests these are Circuit 8 model ships... neuro-quantum-consciousness.

These videos examine the cases of Carlos Diaz and Dorothy Izatt. A review of the new DVD 'Capturing the Light' is available in the news/blog section.

Lightships - Shifting Nature of the UFO Phenomenon

If this stalls due to a busy network - press pause for a minute and then play to allow caching

Both cases have DVDs out - Ships of Light is by Michael Hesseman and you can get it from UFOTV [last time I checked]
